

DEPARTMENT OF THE AIR FORCE
 PERMIT TO ANOTHER FEDERAL GOVERNMENT
 DEPARTMENT OR AGENCY TO USE PROPERTY AT
 SENAHA COMMUNICATIONS STATION

The Foreign Broadcast Information Service (FBIS) or its parent agency is hereby granted a permit for an indefinite period beginning 15 March 1978, subject to termination as set forth in paragraph 3 below to use and occupy Senaha Communications Station (FAC 6021, ILC BYFQ), containing an area of 141 acres, more or less, together with facilities situated thereon as shown substantially in red on the attached map marked Exhibit "A", and further described on attached real property inventory schedule marked Exhibit "B" for the purpose of a communication function.

This permit is granted subject to the following conditions:

1. That the permittee shall reimburse the Department of the Air Force under the provisions of AFR 172-3/AR 37-10/SECNAVINST 7020.4C for utilities and support services furnished.
2. That any interference with or damage to property under control of the Department of the Air Force incident to the exercise of privileges herein granted shall be promptly corrected by the permittee to the satisfaction of the officer having immediate jurisdiction over the premises.
3. Termination of this permit will be by mutual agreement of the Secretary of the Air Force and Foreign Broadcast Information Service or its parent agency unless the Secretary of the Air Force determines that overriding necessity requires its termination in the national interest in which case reasonable notice will be given. If terminated as provided for in this paragraph, the permittee shall vacate the buildings to a reasonably habitable condition, ordinary wear and tear beyond the control of the permittee excepted.
4. That the permittee will designate a building custodian who will be responsible for coordinating matters relating to the facility with the Civil Engineering Real Estate Management Office.

IN WITNESS WHEREOF, I have hereunto set my hand by authority of the Secretary of the Air Force, this 20th day of October, 1978.

 ROBERT L. KLINGMAN, Colonel, USAF
 Asst DCS Engineering and Construction, HQ PACAF/DE

The above instrument, together with the provisions and conditions thereof, is hereby accepted this 29th day of November, 1978.
